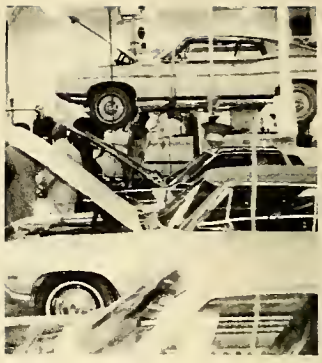
THE 1980 VALIANT IS LOVINGLY



PRESENTED TO
ROYCE M. STUTTS

Since the early days at Richmond Technical Institute, Mr. Stutts has been an automotive mechanics instructor. He has, through the years, been a source of encouragement and inspiration for many, many students. Mr. Stutts daily displays qualities of patience and understanding with all who come to him for help. This jovial "man with the pipe" is an integral part of the atmosphere of our school. It is with respect and admiration that we show our appreciation by dedicating the 1980 VALIANT to Mr. Royce Stutts.

Introduction to

MODERN BUSINESS

HUMILITY

I asked God for strength,

that I might achieve—

I was made weak,

that I might learn humbly to obey.

I asked for help,

that I might do greater things—

I was given infirmity,

that I might do better things.

I asked for riches,

that I might be happy—

I was given poverty,

that I might be wise.

I asked for all things,

that I might enjoy life—

I was given life,

that I might enjoy all things.

I got nothing that I asked for—

but everything I had hoped for,

despite myself, my prayers were answered.

I am, among all men, most richly blessed.

TEACHER OF THE YEAR

Patrick N. Byrd

The students and editor chose Mr. Byrd for the 1980 "Teacher of the Year" because of his dedication to Richmond Tech and to those who look to him for guidance in the field of mechanical technology.

For many years, Mr. Byrd has instilled in his students the knowledge and skills necessary for success. More importantly, his life reflects a sereness which is admirable to each of us. This stately campus "gentleman" is indeed "Teacher of the Year."

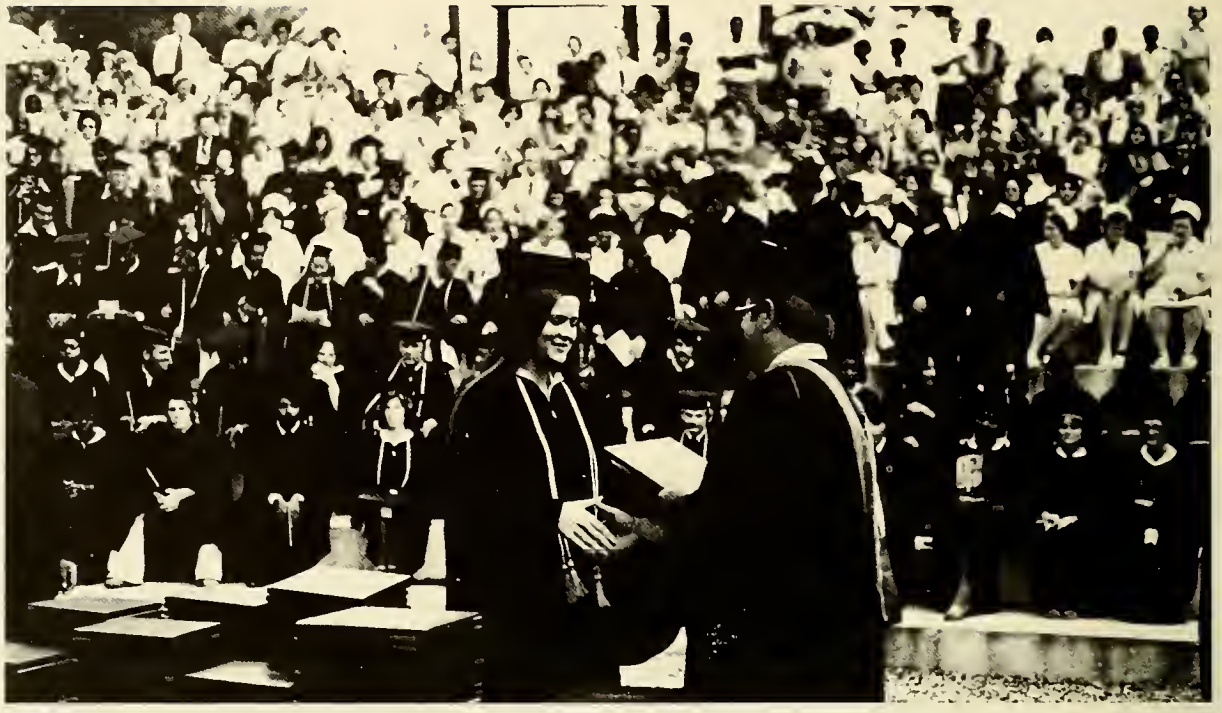
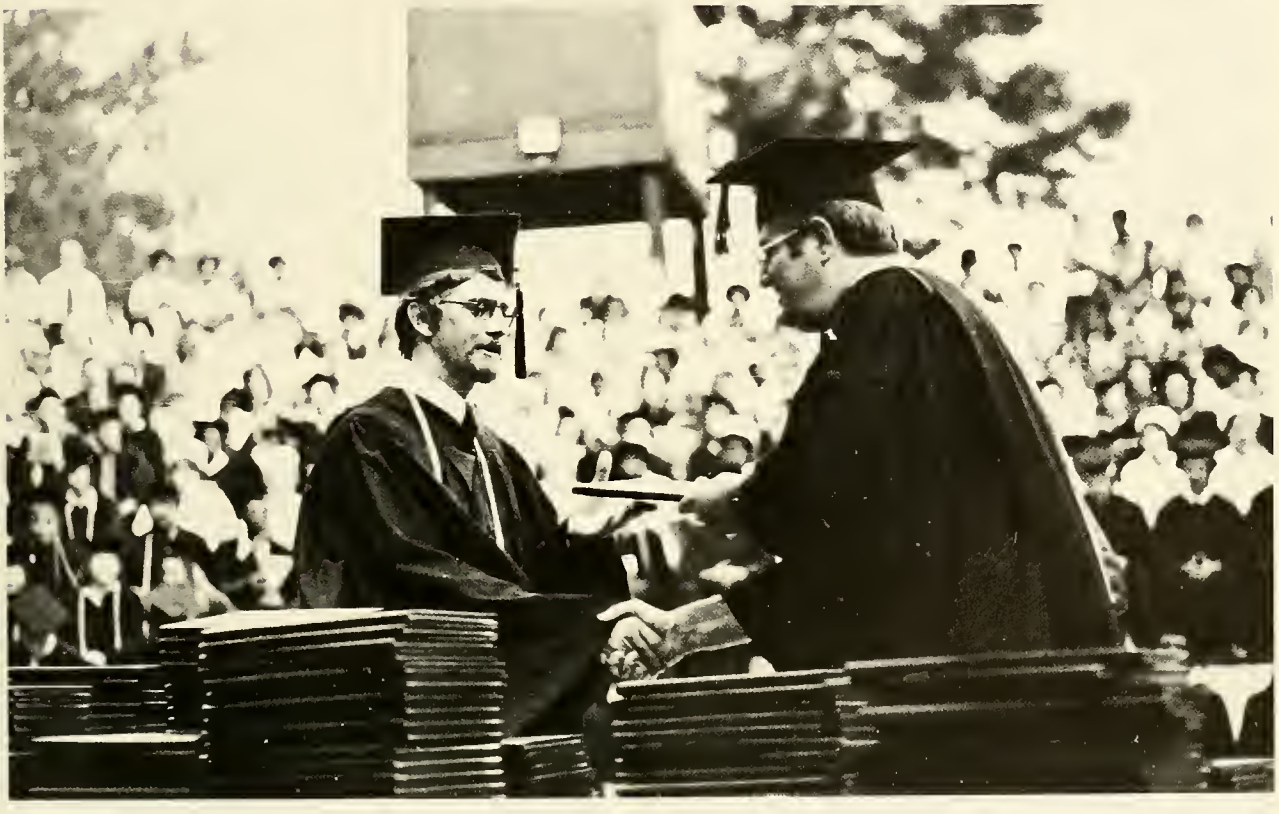
GRADUATION





IN CLOSING . . .

My experience with Richmond Technical Institute is fast coming to a close. I think I can speak for all the graduates when I say that we have grown in ways we never expected. I enrolled at R.T.I. to upgrade my way of life, and today I see a difference in everything—my skills, my dealings with other people, and my attitude about myself.

Scenes from daily routine will never be erased from my memories—Mr. Graham gruffly closing the classroom door at ten minutes after the hour, Mrs. Hellekson scurrying around in the halls as if every minute of the day was slipping from her grasp.

There were days when all students were united. We were one in the beginning of the crisis in Iran. I am saddened at the realization that the "coffee groups" in the lounge will be, for me, no more. I, like all the other graduates, shall be entering a new way of life—one enriched by my time at R.T.I.

So to all the students, faculty, staff and members of the administration, I say farewell, I shall miss you, and above all, thank you for being part of my life.

Sincerely,

Lavonne Kelly
